

Bye-Laws for Scandinavian Society of Extracorporeal Technology, SCANSECT

§1

NAME/BUSINESS AND PURPOSE

The name of the Society is The Scandinavian Society of ExtraCorporeal Technology, SCANSECT.

The purpose of the Society is to:

- promote the scientific development of extracorporeal technology.
- encourage and support research within the field of extracorporeal technology.
- promote networking and collaboration between individuals, authorities and organisations working with or otherwise interested in extracorporeal technology.
- arrange training courses and supplementary training programmes within the field of extracorporeal technology.
- protect its members' interests in matters relating to extracorporeal technology and its conditions in Scandinavia.

§2

ORGANIZATION

SCANSECT is a collaborating society open to all perfusionist societies in Scandinavia. The Society performs its activities through:

- societies affiliated with SCANSECT
- the General Assembly
- the Executive Committee

§3

TYPES OF MEMBERSHIP

(1) Active members are:

- all active members of Scandinavian perfusionist societies who wish to be members of SCANSECT.
- active perfusionists who are not members of a national perfusionist society.

(2) Associated members are:

- perfusionists who are not active within the perfusion profession.
- retired perfusionists.
- non-perfusionists who have been granted personal memberships by SCANSECT.

(3) Corporate members are:

- companies which have been granted membership by SCANSECT

§4

APPLICATION FOR MEMBERSHIP

Perfusionists who are not members of a national perfusionist society as well as the entities specified in § 3 (2) and (3) must apply to the General Secretary for membership of SCANSECT.

§5

MEMBERSHIP RIGHTS

(1) Subject to the exceptions specified in § 7 (5), all active and associated members shall be entitled to attend the General Assembly and attend scientific meetings, training courses and conferences arranged by SCANSECT.

(2) Subject to the exceptions specified in § 7 (5), all active members shall be entitled to vote and eligible to work for the Society.

(3) Subject to the exceptions specified in § 7 (5), all associated members shall be entitled to make proposals at the General Assembly.

(4) Corporate members shall be entitled to attend SCANSECT's scientific meetings and conferences.

§6

MEETINGS

SCANSECT shall arrange at least one scientific meeting per year, which shall include technical/professional presentations and discussions.

§7

GENERAL ASSEMBLY

(1) The General Assembly shall be SCANSECT's supreme authority.

(2) The Annual General Assembly shall be held no later than on 30th September. The Executive Committee shall set the time and place of the Annual General Meeting, which should, however, be co-ordinated with SCANSECT's scientific annual meeting.

The time and place shall be announced no later than 5 months prior to the meeting, and notice convening the meeting shall be given 1 month prior to the meeting.

(3) The General Assembly shall be convened by personal written notice or by written notice to all cardiac centres employing active and associated members. The notice convening the General Assembly shall include the accounts and budget to be presented for adoption as well as any proposals received.

(4) Any proposals for discussion by the General Assembly must be received by the General Secretary no later than 3 months prior to the General Meeting.

(5) Only active members shall be entitled to vote. Votes may be cast personally or by written proxy to another active member.

Corporate members shall not be entitled to attend the General Assembly.

Active and associated members employed by private companies associated with extracorporeal technology shall not be entitled to attend the General Assembly.

(6) An Extraordinary General Assembly shall be convened to be held at the time and place set by the Executive Committee, when:

- this is deemed necessary by the Executive Committee.
- a written request to this effect has been submitted by the auditors or by at least one third of the active members. In this case, the Extraordinary General Assembly shall be held within 6 weeks of the Executive Committee's reception of such request.

The Extraordinary General Assembly shall be convened by personal written notice or by written notice to all cardiac centres employing active and associated members, no later than 14 days prior to the meeting.

The notice convening the Extraordinary General Assembly shall include: the time and place, a statement of the matter(s) to be discussed, and the agenda for the meeting.

The agenda for the Annual General Assembly shall at least include the following items:

1. Election of a chairman of the meeting.
2. Election of a minute-taker, 2 minutes scrutineers, and 2 counters of votes.
3. Approval of the notice and convention of the meeting
4. Approval of the agenda for the meeting.
5. Roll-call of members present.
6. Presentation and adoption of the Executive Committee's report.
7. Presentation and adoption of the special committees' reports.
8. Presentation and adoption of the accounts.
9. Discussion of proposals from the members and the Executive Committee.
10. Presentation and adoption of the budget and decision on the membership fee.
11. Election of General Secretary (every fourth year – uneven).
12. Election of Executive Committee members (every other year).
13. Election of special committee members (every fourth year).
14. Election of 2 auditors and 2 substitutes (every year).
15. Any Other Business.
- 16.

The approved minutes of the General Assembly shall be made available to the members no later than 6 weeks after the General Assembly.

§8

VOTING

(1) All members of SCANSECT's decision-making body shall have one vote each.

(2) Voting shall be by showing of hands, but shall be made by secret ballot if so requested.

(3) In case of an equality of votes, the proposal shall be rejected.

§9

EXECUTIVE COMMITTEE

(1) SCANSECT's Executive Committee shall be responsible for the daily management.

(2) The Executive Committee shall be elected by the General Assembly to serve for a term of two years, and in addition to the General Secretary shall consist of one active member from each affiliated perfusionist society, the latter to be elected upon nomination by the respective societies.

In the absence of the nomination of one of the members by one society, the president of the respective society is member of the Executive Committee.

The General Secretary is elected for a 4-year term and can serve a maximum of two terms.

(3) The seats on the Executive Committee shall be up for election as follows:

The General Secretary and the representative of SWESECT shall be elected in odd years.

The representatives of DANSECT and NORSECT shall be elected in even years. Executive Committee members may seek re-election.

(4) The Executive Committee shall elect a treasurer from its midst. The General Secretary may not accept this duty.

(5) The Executive Committee shall decide the time and frequency of its meetings, and in order to form a quorum, at least three members of the Executive Committee must attend a meeting.

Telephone conferences shall have the same legal effect and validity as physical meetings of the Executive Committee.

(6) The name/business of the Society may be bound by the entire Executive Committee or by the General Secretary and the treasurer, collectively or separately.

(7) If an Executive Committee member retires before the end of his term of office, the perfusionist society nominating that Executive Committee member shall be entitled to appoint a substitute for the remainder of the retiring member's term of office.

Until the nomination of a new member, the president of the respective society became member of the Executive Committee.

§10

THE TASK OF THE EXECUTIVE COMMITTEE

The Executive Committee shall:

- monitor all matters and issues which may be of interest to the members of the Society.
- keep active and associated members continually posted on the Society's decisions and activities.
- be responsible for managing the affairs of the Society in accordance with these ByeLaws.
- be responsible for the Society's finances and account for these before the General Assembly.
- prepare and convene the General Assembly in accordance with these Bye-Laws.
- prepare and plan scientific meetings, training courses and conferences.
- keep an updated register of the members of the Society.

§11

GENERAL SECRETARY

The General Secretary, who is elected by the General Assembly, shall have primary responsibility for the daily management and shall be in charge of the Executive Committee's work in his capacity of moderator at the Executive Committee meetings.

In addition, the General Secretary shall be responsible for SCANSECT's external contacts.

The General Secretary shall remain well-informed of the activities of the special committees established by SCANSECT. Minutes of the special committees' meetings shall be forwarded to the General Secretary.

§12

TREASURER

The Treasurer shall be responsible for collecting membership fees and managing the Society's income and expenditure, and shall present the Society's accounts based on the Society's bookkeeping.

§13

AUDITORS

(1) The Executive Committee's management procedures and the Society's accounts shall be reviewed by the Society's auditors.

(2) The Society's accounting year shall coincide with the calendar year. Before 15 February of any given year, the Executive Committee shall submit to the auditors the accounts, lists of members and any other documents that the auditors may wish to review.

(3) The auditors shall return the audited accounts before the end of March.

(4) The Executive Committee shall make a written statement to address any qualifications made by the auditors.

The report of the Executive Committee, the auditors' report and the Executive Committee's statement addressing the auditors' qualifications shall be made available to active members no later than two weeks before the General Meeting where these items are to be discussed.

§14

SPECIAL COMMITTEES

1. Scientific Committee:

Purpose: The committee shall endeavour to increase the scientific standards of extracorporeal technology in Scandinavia and assist SCANSECT in any matter related to science.

The committee shall consist of minimum three and maximum five members, one or two representatives of each of the affiliated perfusionist societies. One of these members shall be appointed chairman of the committee. In other respects, the committee shall nominate candidates for its different positions from among its members.

If a member of the committee wishes to retire before the end of his term of office, a representative shall be appointed from that member's perfusionist society to replace him on the committee until the next General Meeting where an election may be held.

The committee members shall contribute to coordinating and stimulating research activities within the field of extracorporeal technology in Scandinavia.

The committee shall evaluate the abstracts received at SCANSECT's scientific meetings.

In addition, the committee shall act as an advisor in all matters of science submitted to the Executive Committee or the General Meeting.

The chairman of the committee shall act as the committee's contact and shall be responsible for convening all meetings and for ensuring that minutes of the meetings are distributed to the committee members and to the General Secretary.

§15

TRAVEL EXPENSES

Travel expenses incurred by members when travelling on behalf of the Society shall be

reimbursed. Such reimbursement may not exceed the official rate applicable in that member's country of residence.

§16

AMENDMENTS TO THE BYE-LAWS

Any amendments to the bye-laws shall be presented for adoption by an Annual or Extraordinary General Assembly, and shall require adoption by at least two thirds of all the votes cast.

§17

DISSOLUTION

A decision to dissolve SCANSECT may be made by two consecutive General Meetings, both of which must be Annual General Meetings, held at least four months apart.

A decision to dissolve the Society shall require adoption by a majority of at least two thirds of all the votes cast.

In the event of a dissolution, SCANSECT's funds shall accrue to the affiliated perfusionist societies in proportion to their active memberships.
